

This is an exciting time to join **PowerTel!** PowerTel has joined EPTCON, PowerTraxx, and OneLine Engineering under the Cormorant Utility Services banner to build a full scope utility organization serving Canada.

**PowerTel Utilities Contractors Limited** is one of Canada's leading high voltage contractors offering services in transmission lines, substations and distribution systems including all phases from development to commissioning. PowerTel has achieved a long history of success from years of investment in industry-leading safety programs, quality management systems, personnel training and equipment acquisition and maintenance.

We are currently seeking a **Journeyman Heavy Duty Mechanic** to join our team in **Watford, ON**.

Anticipated Start Date: **Immediately**  
Type of Position: **Full Time, Project-Based Contract**  
Reports to: **Shop Foreperson**

## THE POSITION

The Journeyman Heavy Duty Mechanic will be responsible for ensuring that all company heavy equipment (tracked heavy equipment, heavy trucks, dozers, excavators, backhoes, graders, loaders, etc.) are maintained in good working condition by inspecting, diagnosing, repairing and servicing the fleet in the field. Working from the manufacturers' specifications, they will identify and repair problems in structural, mechanical, or hydraulic systems.

## ESSENTIAL DUTIES & RESPONSIBILITIES:

- Performs daily safety and maintenance checks;
- Interpret work orders and technical manuals;
- Keep equipment cleaned, lubricated and maintained;
- Diagnose faults or malfunctions;
- Adjust equipment and repair or replace defective parts, components or systems;
- Test repaired equipment for proper performance and ensure that the work done meets manufacturers' specifications and legislated regulations;
- Input service reports;
- Maintenance and repair of vehicles and equipment may include:
  - Internal combustion engines and components, both stationary and mobile
  - Heavy Duty tracked equipment
  - Ground engaging equipment and components
  - Aerial Devices - Man lifts, Cranes, Digger Derricks
  - Earth moving equipment
  - Off-highway motor vehicles and trucks
  - Towed off-highway vehicles and trailers
- Consult with Shop Foreperson regarding all repairs and the extent of repairs necessary;
- Responsible to ensure all work is completed in a safe manner;
- Maintain a working knowledge of changes in technology and repair techniques;
- Perform work in outdoor construction site settings as required;
- Adhere to all PowerTel policies, procedures and safe work practices; and,
- Other duties and responsibilities as assigned.

#### **CANDIDATE PROFILE:**

- Minimum 3-5 years of relevant experience in heavy civil construction required;
- Journey-Certified Heavy Duty Mechanic/Interprovincial Red Seal Certification (310T /421A);
- Utility, Cummins, CAT National Crane, experience preferred;
- Must have a valid class DZ / 3 (or better) driver's license with a clean drivers abstract;
- Strong communication skills;
- Strong attention to detail;
- Strong troubleshooting skills;
- Able to work independently or collaboratively with others as part of a team;
- Able to work calmly under pressure in a fast-paced environment; and,
- Must work with a safety-minded approach, consistently meeting all safety requirements.

#### **INTERESTED CANDIDATES:**
